

Sani-Clean Lemon Disinfectant is a Heavy-Duty Industrial Strength Cleaner formulated to provide maximum cleaning efficiency as it disinfects. It is especially designed for schools, institutions, and industry. A single application removes dirt and grime, disinfects, and is virucidal. When used as directed, the hard surface disinfecting action of Sani-Clean Lemon Disinfectant will reduce the hazard of cross-infection.

When used as directed, Sani-Clean Lemon Disinfectant will deodorize toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.

Precautionary Statements

Directions for Use

GENERAL CLASSIFICATION

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Add three ounces per gallon water. Apply Sani-Clean Lemon Disinfectant to walls, floors, and other hard surfaces such as tables, chairs, and bed frames with a cloth or mop.

At three ounces per gallon use-level, Sani-Clean Lemon Disinfectant is effective against Staphylococcus aureus, Salmonella choleraesuis, and Escherichia coli. Germicidal performance against these organisms has been confirmed by the AOAC Use-Dilution Test.

NOTE: This product is not effective at the above recommended use-level of three ounces per gallon against Pseudomonas aeruginosa.

* At three ounces per gallon use-level, Sani-Clean Lemon Disinfectant is virucidal against Herpes Simplex (a member of the virus family that causes infectious mononucleosis), Vaccinia (representative of the pox viruses), and Influenza A₂ (the Hong Kong flu virus), on inanimate environmental surfaces.

At 5 ounces per gallon use-level, Sani-Clean Lemon Disinfectant is effective against Trichophyton interdigitale. Fungicidal performance was determined by using the AOAC Fungicidal Test.
