**Mil X Mildew Remover**

Just spray or brush Mil X on the mildewed area. Allow to dry. Use thoroughly. No scrubbing or scouring is necessary. For heavy mildewed surfaces, allow at least five minutes contact time. Rinse with water. Stubborn or heavy growth may require a second application.

**CAUTION**

Use only in well-ventilated area. Immediately after application the room should be vacated. Do not reenter room until all fumes have dissipated. Harmful if swallowed. Feed milk or egg whites. Call physician. May cause severe skin or eye irritation. In case of contact with skin or eyes, flush with plenty of clean water. Use in well-ventilated area. Do not mix with other chemicals as a violent reaction may occur. This product has a strong bleaching effect. Do not use on fabric. Do not reuse container. Dispose of container when empty. Toxic to fish. Do not contaminate water by cleaning of container or disposal of waste.
