

KASSNAR-MOSQUITO COILS

JAPAN

# KASSNAR BRAND Mosquito Coils Containing Allethrin

Pleasant Aroma: Repels Mosquitoes  
Economical: Each coil burns for hours  
Content: 10 coils per box. Net weight, 130 gm.

## DIRECTIONS FOR USE

1. Do not use indoors or in restaurants.
2. Separate double-fold coils carefully by hand into two coils.
3. Bend center section of metal stand in upright position.
4. Place point of upright section of metal stand in slit of coil.
5. Damaged or partly used coils: Insert in slit of metal stand. Light outer end of coil and let smolder.
6. Place 2-4 coils or more, as needed, about 8-10 feet apart around area to be protected (as stated above).

## USES

Repelling mosquitoes on patios, porches or other similar confined areas outdoors when there is "little or no breeze".

In case the coil was broken, insert the broken piece into the perforation of the stand as illustrated. This makes possible the use of the coil to the last minute.

When using the coil, set up the punched part of the coil stand, insert the peaked top of the stand into the hole of the coil center, as illustrated.
