

# MARK V

Heavy Duty Germicide with Organic Soil Tolerance  
Cleaner-Disinfectant (Deodorizer, Sanitizer, and Disinfectant)  
for Hospital and Institutional Use

### Active Ingredients

Decyl Dimethyl Ammonium Chloride  
Dodecyl Dimethyl Ammonium Chloride  
Dodecyl Dimethyl Ammonium Chloride  
Sodium Ethylene diamine Tetraacetate

### Other Ingredients

**KEEP OUT OF REACH OF CHILDREN**  
**DANGER**

### STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for several minutes. For eyes, call a physician. Remove and wash contaminated clothing immediately.

If swallowed, drink promptly a large quantity of milk or egg whites, repeat as often as possible. If unable to swallow, drink large quantities of water. Avoid alcohol. Call a physician immediately.

**NOTE TO PHYSICIAN:** Probable cause of skin damage may be inadequate use of protective clothing. Measures against circulation shock as well as respiratory and measures to support breathing manually may be needed. If persistent convulsions may be controlled by the cautious intravenous injection of a short acting barbiturate drug.

See left panel for additional precautionary statements.

EPA Registration No. 17912-1 EPA Establishment No. 17912 Cool
