☐ REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

EPA REGISTRATION

18194-5

DATE OF ISSUANCE

JUN 18 1990

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

Sanit-201

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

It is the policy of the Agency to encourage the use of pesticides which are effective and safe for the environment. The Agency will consider for registration any pesticide which is found to be effective and safe for the environment.

The Agency will consider for registration any pesticide which is found to be effective and safe for the environment. The Agency will consider for registration any pesticide which is found to be effective and safe for the environment.

Sani-Cal is a low foaming carpet shampoo formulated for use with extraction and carpet steam cleaning equipment. **Sani-Cal** contains "twin chain" quaternary ammonium compounds to reduce the growth of gram negative and gram positive odor forming bacteria. **Sani-Cal** is fortified with odor counteractants to neutralize unpleasant malodors. Recommended for use on washable synthetic fibers. **Sani-Cal** is not recommended for use on wool carpets. **Sani-Cal** removes greasy soil, leaves no residue to promote resodding and eliminates soil redeposition to vacuum pick-up tanks.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND
DOMESTIC ANIMALS

DANGER

Keep Out of Reach of Children. Irritative. Causes eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Physical or Chemical Hazards

Do not use or store near heat or open flame.
