LL-7 SUPER RESIDUAL SPRAY

RESIDUAL USE ONLY — KILLS RESISTANT ROACHES

Recommended for the control of roaches, ants and certain other insect pests in hospitals, institutions, supermarkets, bakeries & warehouses, as a spot treatment.

ACTIVE INGREDIENTS:

Petroleum Distillates	99.025
O, O Diethyl O-(2-isopropyl-6-methyl-4-pyrimidinyl) phosphorothioate*	.500
N-Octyl bicyclopheptene dicarboximide	.250
Piperonyl Butoxide, Technical**	.150
Pyrethrins	.075

*Diazinon

**Equivalent to 80% (Butylcarbityl) (6-propylpiperonyl) and 20% related compound.

DIRECTIONS FOR USE

Spray infested surfaces only until wet.

Roaches, Ants, Waterbugs, Silverfish, Spiders, Crickets: Spray heavily in all cracks, around baseboards and under sinks. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, stoves, etc. Use on other localized areas infested with these pests. Repeat treatment as required.

Carpenter Beetles: Make localized application to areas of the floor and baseboards, spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

Brown Dog Ticks: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floor coverings. Application should be repeated as infestation warrants and as re-

infestation occurs. Fresh bedding should be placed in animal quarters following treatment. Do not treat animal with this formulation.

Flies, Mosquitoes, Wasps and Flying Moths outdoors: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

Fleas, Chiggers, Ants and Brown Dog Ticks outdoors: For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat application as infestations warrant, and as reinfestation occurs.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Do not allow children in treated areas until surfaces are dry.

Harmful if swallowed. Avoid contamination of feed and foodstuffs. Avoid breathing of spray mist. Avoid contact with skin; wash thoroughly after using. Do not use on household pets or humans.

Combustible Mixture: Do not use or store near heat or open flame. Do not smoke while using.

Do not reuse empty drum. Return to Lee Chemical Corp. or destroy by perforating or crushing and burying in a safe place away from water supplies.
