Xylamone WOOD WORM KILLER

A concentrated, water-soluble, fast-acting liquid insecticide containing Lindane (Gamma isomer of Barium Hexachloride) 1%. It is highly effective against wood-boring beetles, termites, ants, and other insects that attack wood.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

As indicated in the following section, avoid contact with skin, eyes, breathing vapors, or inhalation of dust. If material gets on skin, wash with plenty of water. If material gets in eyes, flush with plenty of water. If eyes get medicated, flush with plenty of water. If material gets on clothing, wash with plenty of water. If material gets on food and/or drink, keep out of reach of children.

Do not allow children to handle or apply this product.

STATEMENT OF PRACTICAL TREATMENT

If swallowed -

Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

If inhaled -

Remove victim to fresh air. Apply artificial respiration if indicated.

If on skin -

Remove contaminated clothing and wash affected area with soap and water.

If in eyes -

Flush eyes with plenty of water. Get medical attention immediately.

Physical or Chemical Hazards

Flammable. Avoid exposure to heat, sparks, or flame.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not spray directly onto food, feed, or empty containers and/or equipment.

After use, clean equipment thoroughly.
