POISON

DANGER

DANGER May be fatal if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Do not breathe spray, mist. Do not wear contaminated clothing. Do not use or store near food or food products.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

This product is toxic to fish, birds, and other wildlife. Do not use on streams, or ponds. Do not contaminate water by the use of equipment or disposal of wastes.

SYMPTOMS OF POISONING: Fatigue, headache, dizziness, etc. If symptoms of poisoning develop from any type of exposure, SEND FOR A PHYSICIAN.

FIRST AID: Have patient lie down in a cool, shady, available place. If possible, cool with cold compresses or by immersion in cool water.

ANTIDOTE: If swallowed, SEND FOR A PHYSICIAN. Induce vomiting by giving an emetic such as 2 tablespoons of 3% solution in a glass of warm water. Repeat until vomit fluid is clear, then give 2 tablespoons of baking soda in a glass of water. Treat as in FIRST AID above.

IF SPLASHED IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes and get medical attention.

IF SPILLED ON SKIN: Immediately remove contaminated clothing, INCLUDING SHOES and wash skin with soap and plenty of water. If symptoms of poisoning develop, send for a physician and treat as in FIRST AID above. Discard contaminated clothing and shoes, or clean them thoroughly before reuse. Staining may result if contaminated articles are allowed to remain on carpets, upholstery, etc.

NOTE TO ATTENDING PHYSICIAN: Active ingredient is a metabolic stimulant. Treat symptomatically.

STORAGE: Important. Do not store at temperatures below 20 degrees F. If stored for extended periods below 20 degrees F, thaw the contents of the container up to 32 degrees F, and agitate by rotation.

CONTAINER DISPOSAL: Rinse equipment and containers with clean water by hosing or non-crop lands away from water supplies. Containers should be disposed of by punching holes in them and burying with waste.

WARRANTY AND LIMITATION OF DAMAGES: Helena Chemical Company warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use and Conditions of Sale. Subject to the inherent risks referred to in the Directions for Use, Helena Chemical Company makes no other express or implied warranty, including any other express or implied warranty of FITNESS OR MERCHANTABILITY, and no agent of Helena Chemical Company is authorized to do so. This warranty is given with a specific reference to the law of the State of Tennessee, and shall not include consequential, punitive, or other damages, or loss of profits or value, etc.
