**CONTENTS:**  1 QT.  1 GAL.

**DIRECTIONS FOR USE:**  
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING

ACCO Algaecide 30 Concentrate-L is used to control the growth of algae in swimming pools, exterior spas, whirlpools, and hot tubs. For maximum effectiveness, pools, spas, whirlpools, and hot tubs containing heavy growth of algae should be cleaned prior to using this product. For pools having just visible algae growth, add an initial dose of 23.5 to 36.4 fluid ounces of this product per 10,000 gallons of water and remove settled algae debris by cleaning. For treatment of a freshly cleaned and filled pool, add initially 12.8 to 23.5 fluid ounces of this product per 10,000 gallons of water. Subsequent additions of 4.3 to 8.6 fluid ounces of this product per 10,000 gallons of water should be made every 5 to 7 days after initial treatment for maintenance. Spas, whirlpools, or hot tubs having just visible algae growth require an initial dose of 2 to 4 fluid ounces of this product per 1,000 gallons of water. For treatment of a freshly cleaned and filled spa, whirlpool, or hot tub, add initially 1 to 2 fluid ounces of this product per 1,000 gallons of water. Subsequent additions of 0.5 to 0.8 fluid ounces of this product should be made every 5 to 7 days after initial treatment for maintenance. This product is compatible with those chemicals normally used to treat pools and spas and is effective in both acid and alkaline pH. This product can be used in pools and spas treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix this product with dry or liquid chlorine products.

**EPA REG. NO.:** 19369-2  
**EPA EST. NO.:** 19369-IA-01

**MANUFACTURED BY:**

**ACCO** Unlimited Corporation  
5300 NW 55th Avenue  
Johnston, IA 50131

## PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION:**

Harmful if swallowed. Avoid breathing vapors. Avoid contact with the skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

**ENVIRONMENTAL HAZARDS:** This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

**STORAGE AND DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage:** Store in original container in areas inaccessible to children. Spills should be absorbed in sawdust or sand and disposed of in a sanitary landfill. Keep container closed when not in use.

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerate, or if allowed by state and local authorities, burn. If burned, stay out of smoke.

**STATE AND LOCAL REGULATIONS:** Consult your dealer, state, or local health authorities for additional information.

ACCO Unlimited Corporation makes no warranty, expressed or implied, concerning this material, except that it conforms to the chemical description on this label. Neither ACCO Unlimited Corporation nor seller shall be held responsible in any manner for personal injury or property damage, or other type of loss resulting from handling, storage or use of this material. The buyer assumes all risk and liability therefrom and accepts and uses this material on these conditions.
