

NOV 7 1988

Leonard Brush Company, Inc.
839 East Broadway
Louisville, KY 40204-1052

Attention: W. Terry Adams

Gentlemen:

Subject: Mint Odor 15 Disinfectant Cleaner
EPA Registration No. 19409-3
Your Submission Dated July 15, 1988
EPA Received Date July 22, 1988

The Agency has received and reviewed your labeling submitted in accordance with PR Notice 82-2. We note that several deficiencies still exist on your labeling which we neglected to correct in our last correspondence.

At the next printing of your label, make the following labeling revisions.

1. Change the "Directions" heading to "Directions For Use."
2. Move the misuse statement and place it directly below the "Directions For Use" heading.
3. Change the "First Aid" heading to read "Statement of Practical Treatment."
4. Delete the word "milk."
5. Include the 10-minute contact time for the disinfection section.
6. On the center panel, revise the referral statement to read: "See side panel for additional precautionary statements."

Reg. No. 10

WARNING

KEEP OUT OF REACH OF CHILDREN. Causes eye or skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Avoid breathing spray mist. DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. If irritation persists, get medical attention. Flush eye and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk or raw egg white if available. If not available, drink a large quantity of water. Avoid alcohol. Call a physician immediately.

**WARNING
STORAGE AND DISPOSAL**

Store only in tightly closed original container in a secure area inaccessible to children. Do not contaminate water, food, or feed by storage or disposal. Waste resulting from the use of this product may be disposed of only at a local approved waste disposal facility.

Do not reuse empty container.

Triple rinse empty container with water. Return metal drums to recycler or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Plastic containers may be recycled in a sanitary landfill, incinerated or, if allowed by local authorities, by burning. If burned, stay out of smoke.
