FIRST AID
<p><b>IF SWALLOWED:</b></p> <ul style="list-style-type: none"> <li>• Call a poison control center or doctor immediately for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by a poison control center or doctor.</li> <li>• Do not give anything by mouth to an unconscious or convulsing person.</li> </ul>
<p><b>IF INHALED:</b></p> <ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.</li> </ul>
<p><b>IF ON SKIN OR CLOTHING:</b></p> <ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15 to 20 minutes.</li> </ul>
<p><b>IF IN EYES:</b></p> <ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> </ul>
<p>Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378.</p>

PRECAUTIONARY STATEMENTS
<p><b>Hazards to Humans and Domestic Animals</b></p> <p><b>WARNING:</b> May be fatal if swallowed or absorbed through skin. Harmful if inhaled. May produce irritation of skin or eyes. Do not get in eyes, on skin or on clothing. Avoid breathing dust or vapors. Wash thoroughly with soap and water after handling and before eating or smoking. Wear protective clothing and rubber gloves. Remove contaminated clothing and wash before reuse.</p>

**ENVIRONMENTAL HAZARDS**  
 This pesticide is toxic to fish, birds and other wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the U.S. EPA.

**DIRECTIONS FOR USE**  
 It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This pesticide may be used only for the

formulation of an insecticide. Formulators using this product are responsible for obtaining EPA registration for their formulated product. Refer to Technical Bulletin for formulating and other information. This technical product may be formulated into end-use products solely for the uses listed below:

**Treatment of seeds for the following agricultural crops:** Barley, Corn, Oats, Rye, Sorghum, and Wheat.

Dust formulations made from this MUP are for on-farm treatment of Corn and Sorghum seeds only.

Liquid formulations made from this MUP are for commercial or on-farm seed treatment for Barley, Corn, Oats, Rye, Sorghum and Wheat with a closed transfer system only.

This product may be used to formulate products for specific use(s) not listed on this label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements regarding the support of such use(s).

STORAGE AND DISPOSAL
<p>Do not contaminate water, food or feed by storage and disposal.</p> <p><b>PESTICIDE STORAGE:</b> Storage should be under lock and key and secure from access by unauthorized persons and children. Storage should be in a cool, dry area away from any heat or ignition source. Do not stack over 2 pallets high. Do not move containers from one area to another unless they are securely sealed. Keep containers tightly sealed when not in use. Do not allow material to become wet or store in a damp, humid area. Keep away from any puncture source. Avoid storage near water supplies, food, feed and fertilizer to avoid contamination. Store in original container only. If contents are leaking or material is spilled, follow these steps:</p> <ol style="list-style-type: none"> <li>1. Collect and place in suitable containers for disposal.</li> <li>2. Wash area with soap and water to remove remaining pesticide.</li> <li>3. Follow washing with clean water rinse.</li> <li>4. Do not allow runoff to enter sewer or contaminate water supplies.</li> <li>5. Dispose of waste as indicated below.</li> </ol> <p><b>PESTICIDE DISPOSAL:</b> Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.</p> <p><b>CONTAINER DISPOSAL:</b> Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.</p>

**WARRANTY—CONDITIONS OF SALE**

Manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes referred to in the "Directions for Use". Manufacturer makes no other warranties, expressed or implied, including **FITNESS** or **MERCHANTABILITY**. In no case shall the Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The foregoing is a condition of sale and is accepted as such by the Buyer.
