Carbaryl Technical

For Use in Manufacturing, Formulating or Repackaging Only

ACTIVE INGREDIENT:	
Carbaryl (1-naphthyl N-methylcarbamate)	89.0%
INERT INGREDIENTS:	1.0%
TOTAL:	100.0%

KEEP OUT OF REACH OF CHILDREN WARNING / AVISO

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

Read Entire Label Before Using This Product

EPA Reg. No. 19713-75
EPA Est. No. 19713-GA-1

STATEMENT OF PRACTICAL TREATMENT

GENERAL: Contact a physician immediately in all cases of suspected poisoning. Transport to a physician or hospital immediately and show a copy of this label to the physician.

IF SWALLOWED: Never give anything by mouth to an unconscious or convulsing person. If conscious and not convulsing, drink 1 to 2 glasses of water and induce vomiting by touching the back of the throat with the finger.

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

IF ON SKIN: Wash thoroughly with soap and water.

IF INHALED: Move from contaminated atmosphere and call a physician. Atropine sulfate is highly effective as an antidote. See note to physician below.

NOTE TO PHYSICIAN: Carbaryl is a carbamate insecticide, which is a cholinesterase inhibitor. Overexposure to this substance may cause toxic signs and symptoms due to accumulation of the cholinergic nervous system. These effects of overexposure are spontaneously and rapidly reversible.

Specific treatment consists of parenteral atropine sulfate. Caution should be maintained to prevent overatropinization. Mild cases may be given 1 to 2 mg intramuscularly every 10 minutes until full atropinization has been achieved and repeated thereafter whenever symptoms reappear. Severe cases should be given 2 to 4 mg intravenously every 10 minutes until full atropinized, then intramuscularly every 30 to 60 minutes to maintain the effect for at least 12 hours. Dosages for children should be appropriately reduced. Complete recovery from overexposure is to be expected within 24 hours. Narcotics and other sedatives should not be used. Further, drugs like 2-PAM (pyridine-2-aldoxime methiodide) are NOT recommended.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: May be fatal if swallowed. Avoid breathing dust. Do not take internally. Avoid contact with eyes, skin or clothing. Wear regular long-sleeved work clothing. Change to clean clothing daily. Wash hands and face before eating. Wash thoroughly after handling.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Formulators who use this product are responsible for obtaining EPA registration for their formulated product.

This Carbaryl material should not be formulated into dust products for use on trees.

Only for formulation into an insecticide for:

(1) The following uses:

Alfalfa	Flax	Potato
Almonds	Foliage plants	Poultry-houses
Apples	(outdoor only)	Poultry
Apricots	Forested areas	Prickly pear cactus
Asparagus	Garden beet	Proso millet
Berne	Grapes	Prunes
Beans, succulent and dry	Grass-for-seed	Pumpkin
Bedding plants	Hanover salad	Radish
(outdoor only)	Horseradish	Rangeland
Birdfoot trefoil	Imported fire ants	Raspberries
Blackberries	(outdoor only)	Recreational-areas
Blueberries	Kale	Rice
Boysenberries	Kohlrabi	Rubabages
Broccoli	Leontide	Salsify
Brussels sprouts	Lentils	Sorghum
Cabbage	Lettuce, head and leaf	Soybeans
Carrots	Loganberries	Spinach
Cauliflower	Melons	Squash
Celery	Mustard greens	(summer and winter)
Cherries	Nectarines	Strawberries
Chickpeas	Nursery stock	Sugarbeets
Chinese cabbage	(outdoor only)	Sunflower
Citrus fruits	Onion	Sweet potato
Clover	Olive	Swiss chard
Coldards	Oyster beds	Tobacco
Commercial	Paralel	Tornato
establishments (other	Paranips	Trees and ornamentals
than edible products)	Pasture grass	Turfgrass
Corn (field, sweet, pop)	Peaches	Turnips
Cotton	Peanuts	Vegetable transplants
Cranberries	Pears, succulent and dry	(outdoor only)
Cucumbers	Pecans	Walnuts
Dandelion	Peppers	Wasteland
Dawberries	Peel control around	Right of way
Bees	buildings	Hedges/rows
Domestic-dwellings	Pate	Ditchbanks
Eggplant	Pistachio	Roadsides
Endive	Plums	Wheat
Fibers	Pome fruits	

(2) Uses for which U.S. EPA has accepted the required data and/or citations that the formulator has submitted in support of registration; and
(3) Uses for experimental purposes that are in compliance with U.S. EPA requirements.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.
PESTICIDE STORAGE: Store unused product in original container only. In cool, dry areas out of reach of children and animals. Do not store in areas where temperatures frequently exceed 100° F (38° C).

In case of minor spills, clean up immediately. Sweep up and dispose of wastes on site or in a landfill approved for pesticide use.

PESTICIDE DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into manufacturing equipment. Then dispose of empty bag in a sanitary landfill, or, if allowed by government regulators, by burning or incineration. If bag is buried, stay out of smoke.

WARRANTY—CONDITION OF SALE

Drexel warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under conditions not reasonably foreseeable to Seller, and buyer assumes the risk of any such use.
