Herewith:

1. Completed EPA Form 8570-1
2. One (1) copy of the label (124SP-1108) incorporating EPA's comments. We, will, however, revise the Storage and Disposal statements per PR Notice 2007-4 on a later date.

Also, we added the statement "Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378."

I highlighted the changes for easy reference.
