PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

KEEP OUT OF REACH OF CHILDREN

CAUTION—Causes eye irritation. Harmful if swallowed. Do not get in eyes, on skin or on clothing.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.

IF ON SKIN, flush with water. Wash clothing before reuse.

IF SWALLOWED, this product will cause gastrointestinal tract irritation. Immediately dilute by swallowing water or milk. Call a physician.

ENVIRONMENTAL HAZARDS

Do not apply directly to water or wetlands. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. DREXAR WEED-AWAY is applied as a foliage spray for the control of most grasses, weeds and brush. Use in and around flower beds, walks, driveways, and around trees and shrubs. Use as a spot spray only to individual weeds in lawns.

READ AND FOLLOW LABEL PRECAUTIONS AND DIRECTIONS

APPLICATION: Adjust spray nozzle to stream or spray (turn to off when not in use). Hold sprayer close to weed and spray to wet slightly; do not overspray. Some hard to kill weeds and brush may need to be sprayed again in 4 weeks.

NOTE: Be careful when spraying weeds not to spray foliage or green bark of plants or trees and blades or runners of desirable lawn grasses. Do not apply when rain is expected within 6 hours. Do not water within 24 hours. Do not allow children and pets in treated area until dry. This prevents tracking spray to desirable vegetation. Discoloration usually occurs in about 7 to 10 days and complete kill in 2 to 4 weeks. Treated areas can be reseeded or planted 7 days after application.

STORAGE AND DISPOSAL

Keep out of reach of children. Keep from freezing. Do not use empty container for other purposes. Do not contaminate water, foodstuffs, seed or feed by storage or disposal. When container is emptied, trip a hose, then puncture container and dispose of in sanitary landfill by incineration or in local approved disposal site.

WARRANTY—CONDITION OF SALE

OUR RECOMMENDATIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case shall Drexel or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by Drexel Chemical Company and is accepted as such by the Buyer.
