Barbara Brown  
Drexel Chemical Company  
2487 Pennsylvania St., P.O. Box 9306  
Memphis, Tennessee 38109

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. To your labeling, add the phrase "EPA Registration No. 19713-365" before you release the product for shipment.
3. Submit Five (5) copies of the revised final printed label for the record.

Signature of Approving Official:

Date:

295

Page 2  
EPA Reg. No. 19713-365

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Cynthia Giles-Parker  
Product Manager (22)  
Fungicide-Herbicide Branch  
Registration Division (H7505C)

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public water unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not use for any crop or other than that which is intended or labeled on this label.

Users of this product are responsible for obtaining EPA registration for their associated products.

This product is labeled for application into storage containers for the following related uses:

Application of this product, directly or indirectly, to any crop, animal, or other animal, or to any seed, fertilizer, or other agricultural product, is prohibited.

Do not use this product on forest trees, ornamentals, and shrubs.

Do not use this product on vegetable seedlings.

Do not use this product on rice and rice seedlings.

Do not use this product on water systems, or on any other public utility, or on any other structure, pipe, or other object.

Do not use this product on...

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store unused product in original container only in cool, dry area out of reach of children and animals.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal Law. Dispose of excess or waste pesticide by use according to label directions, or contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Completely empty bag. Then dispose of bag in a sanitary landfill, by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**WARRANTY - CONDITION OF SALE**

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use; but neither this warranty or any other warranty of MERCHANTABILITY or FITNESS for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions not reasonably foreseeable to the Seller. The Buyer assumes the risk of any such use.
