1. Replace "[website address]" with "www.simazine-watershed.info" under the section DIRECTIONS FOR USE. Also replace "[toll-free phone number]" with "1-888-365-2874." Remove "or [mailing address]."
2. Revise the statement "If the SWIC indicates that use of this product is prohibited in your watershed, you may return this product to your point of purchase or contact Drexel Chemical Company for a refund" to "If the SWIC indicates that use of this product is prohibited in your watershed, you may return this product to your point of purchase or contact [insert name of Registrant] for a refund."
3. Add a " at the end of the sentence cited above in #2. Remove the " at the end of the sentence "ANY USE OF THIS PRODUCT IN AN AREA WHERE USE IS PROHIBITED IS A VIOLATION OF FEDERAL LAW."
4. In the section WARRANTY- CONDITIONS OF SALE, add "To the extent consistent with applicable law," before "In no case shall the Manufacturer or the Seller be liable for consequential, special, or indirect damages resulting from the use of handling of this product."

Submit one (1) copy of final printed labeling incorporating the above changes before you release the product for shipment. Amended labeling will supercede all previously accepted ones. A stamped copy of labeling is enclosed for your records.
