U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
19713-410

Date of Issuance:
SEP 18 1997

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide-Product:
Drexel Acephate
Technical

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):
Drexel Chemical Company
P.O. Box 13327-1700 Channel Ave
Memphis, TN 38113-0327

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c) (7) (A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c) (5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes before you release the product for shipment:
 - a. Add the designation, "EPA Reg. No. 19713-410 ".
 - b. Correct the statements of practical treatment, precautionary statements and the environmental hazards statements to agree with those appearing on the label registered for the product you are repackaging. A copy of the label is enclosed for your reference.
 - c. Correct the percentages for the active and inert ingredients so that they agree with those appearing on the registered label for the product you are repackaging. Refer to the attached copy of the label.

Signature of Approving Official:
Marilyn A. Mandy

Date:
SEP 18 1997

d. Add the following statement to the use directions preceding the statement "An insecticide for formulation use only".

"It is a violation of Federal Law to use this product in a manner inconsistent with its labeling."

e. The claim for "fire-ant mounds" does not appear on the registered label of the product you are repackaging and must be deleted from your label.

f. Correct the designation, "manufactured by" to "manufactured for" or "repackaged by".

3. Submit two copies of the revised final printed label prior to releasing the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Marilyn A. Mautz
Biologist
Insecticide-Rodenticide Branch
