Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA Section 4.
2. Before releasing the product for shipment revise the EPA Registration Number to read, "EPA Reg. No. 19713-601" to your label before you release the product for shipment.

3. Beneath the signal word there is a "First Aid" prompt, which must be revised to read: "See FIRST AID and Precautionary Statement, below."
4. In the section "Directions for Use", ambiguity is noted by the use of "or" as it follows "regulator." To improve label legibility, delete "or", so that the sentence may read clearly as: "...plant growth regulator for use on Tobacco...."
5. Under the section "Warranty-Conditions of Sale" append "To the extent consistent with applicable law...." to each sentence of this section, with the exception of the section's first sentence. For instance: "To the extent consistent with applicable law manufacturer makes no...or MERCHANTABILITY."
6. As a condition of registration, technical source samples for this product must be submitted (830.1900) to the Agency:

EPA National Pesticide Standard Repository  
Environmental Science Center  
701 Mapes Road  
Fort Meade, MD 20755-5350

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release of the shipment of your product constitutes acceptance of these conditions.

A copy of the label stamped "Accepted with Comments" is enclosed for your records.
