Luz G Chan
Registration Manager
Drexel Chemical Company
P.O. Box 13327
Memphis, TN 38113-0327

Subject: Notification per PRN 98-10 – Add CHEMTREC emergency contact information
Product Name: Drexel 2,4-D Technical
EPA Registration Number: 19713-641
Application Date: September 24, 2019
Decision Number: 555800

Dear Ms. Chan:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, please contact Lydia Crawford by phone at 703-347-0622, or via email at Crawford.Lydia@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Mindy Ondish".

Mindy Ondish

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

DANGER: Corrosive. Causes irreversible eye damage. Harmful if absorbed through skin, if inhaled or if swallowed. Avoid contact with skin or clothing. Do not get in eyes. Wear protective eyewear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Avoid breathing dust.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Manufacturing Use Only.

Only for formulation into a herbicide and/or plant growth regulator for the following use(s):

1. Agricultural Crops:

Asparagus; Blueberries; Cereal grains (Barley, Millet, Oat, Rye, Wheat); Corn (Field, Pop, Sweet); Cranberries; Crop stubble; Fallow cropland; Grapes (only in California); Grasses (annual or perennial); Grasses grown for seed or sod; Hops; Pastures; Rangeland; Orchard floors (Citrus, Filberts, Nut trees, Pistachios, Pome fruits, Stone fruits); Potatoes (fresh market only), Rice, Sorghum (grain and forage), Soybeans (preplant), Strawberries, Sugarcane, Teff, Turf grown for seed or sod; Vegetables (root and tuber), Wild rice; Conservation Reserve Program (CRP).

Forestry Sites:

Christmas trees; Established conifer release; Forest roadsides; Forest site preparation; Tree and brush control; Tree injection treatments, Reforestation areas.

Terrestrial Non-food Crops:

Uncultivated non-agricultural areas (including ditches, fencerows, hedgerows, roadsides, rights-of-way, utility power lines, railroads, airports, industrial sites), General soil treatment; Recreation areas; Paved areas; Outdoor areas; Ornamental trees, shrubs, and vines; Turf (including golf courses, cemeteries, parks, sports fields, turfgrass, lawns and other grass areas); Uncultivated agricultural areas; Woody plants.

Aquatic Sites:

Agricultural irrigation water and ditches; Agricultural drainage water and ditches; Lakes, ponds and impounded water; Canals, rivers, and streams; Industrial ponds; Swamps, marshes, wetlands; Estuaries, tidal marshes and commercial and sport fish bearing waters.

2. Uses for which U.S. EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration.

3. Uses for experimental purposes that are in compliance with U.S. EPA requirements.

Wettable powder formulations must be packaged in water-soluble packages.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a secured area preferably cool and dry. Open containers in well ventilated areas. Keep container tightly closed when not in use. Store only in original container unless it is damaged and requires to be replaced. In such case, clearly label contents.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. If container is damaged or pesticide has leaked, clean up all spilled materials and place in closed labeled container. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide Environmental Control Agency or the Hazardous Wastes representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:

Nonrefillable container. Do not reuse or refill this container. Completely empty bag into manufacturing equipment by shaking and tapping sides and bottom to loosen clinging particles. Then offer for recycling if available or dispose of empty bag in a sanitary landfill, or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY—CONDITIONS OF SALE

To the extent consistent with applicable law, Manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes referred to in the *"DIRECTIONS FOR USE"*. Manufacturer makes no other warranties, expressed or implied, including fitness or merchantability. To the extent consistent with applicable law, in no case shall the Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The foregoing is a condition of sale and is accepted as such by the Buyer.
