

A CARDINAL PEST-TESTED PRODUCT

CARDINAL

P-D ROACH & ANT LIQUID SPRAY

Pyrethrin[®] Insecticide Provides Flushing Action and Fast Knockdown. Controls Cockroaches, Ants, Silverfish, Spiders, Crickets, Earwigs and Brown Dog Ticks.

Use in and around homes, apartments, garages and similar residential structures.

Use outdoors as an aid in reducing annoyance from flies and mosquitoes entering the home.

ACTIVE INGREDIENTS:

Pyrethrin.....	0.052%
*Pyrethrin Oxide, Technical.....	0.208%
**Chlorpyrifos (O,O-Diethyl O-(3,5,6-trichloro-2-pyridyl) phosphorothioate).....	0.500%
Petroleum Distillate.....	99.738%
INERT INGREDIENTS: ...	0.412%
	100.0%

*Equivalent to 0.208 (Butylcarbitol) (O-propylphenyl) ether and to 0.052 related compounds.

**U.S. Patent No. 3,244,186

CAUTION: KEEP OUT OF REACH OF CHILDREN!

NOTE TO PHYSICIAN: Contains petroleum distillate. If gastric lavage is deemed necessary, undertake only after proper placement of a cuffed endotracheal tube. Active ingredient contains a cholinesterase inhibitor. Treat symptoms locally. Arthropods are antihelm. Pyrethrin is a registered trademark of ICI Corp.

DIRECTIONS:

This product should be applied as a coarse (large droplet) spray for spot treatment of localized surface areas only.

SPIDER, SILVERFISH, SPIDERS, CRICKETS & EARWIG: Spray on areas where these pests are found or may hide, including dark corners of

& closets, cracks & crevices, along baseboards & door sills & frames, behind & beneath sinks, stoves, refrigerators & cabinets & around garbage cans, plumbing & other utility installations. Pests driven out of hiding places should be sprayed directly. Spray ant trails, nests & points of entry.

Brown Dog Ticks: Apply thoroughly as a spot treatment to infested areas such as pet beds & resting quarters, nearby cracks & crevices, along & behind baseboards, window & door frames & localized areas of floor & floor covering where these pests may be present. Fresh bedding should be placed in animal quarters following treatment. Do not spray pets with this product.

Flies & Mosquitoes: Use only on outdoor surfaces. Spray outside surfaces of windows & door frames & other areas where these pests may enter the home. Also spray dark corners & localized resting areas, such as under eaves, porches, partitions & in garages where these insects may congregate. Flies & mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when effectiveness diminishes.

USE PRECAUTIONS:

Do not allow children or pets to contact treated surfaces until spray has dried. Do not spray air in rooms or use on plants. Apply as a surface spray only as specified on this label.

Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes & food handling utensils if contaminated with this product. Remove pets & cover fish bowls before spraying.

This product is toxic to fish. Do not contaminate water by allowing product or disposal of wastes. Do not reuse empty containers. Containers should be discarded in same place.

CAUTION:

WARNING TO SENSITIVE: SENSITIVE: Avoid contact with eyes, nose, mouth, throat, or spray mist. Keep away from children, pets, and livestock. Do not smoke while using. Do not use in areas where food is prepared, stored, or consumed. Do not use in areas where food is prepared, stored, or consumed. Do not use in areas where food is prepared, stored, or consumed. Call a physician in case of poisoning.
