

MOBLEY "TBA-5" Liquid Weed Killer

ACTIVE INGREDIENTS:

Dimethylamine salt of 2, 3, 6-trichlorobenzoic acid46%
Dimethylamine salts of other chlorinated benzoic acids31%

INERT INGREDIENTS: 99.23%

E.P.A. Reg. No. 20001-4

KEEP OUT OF REACH OF CHILDREN

CAUTION: MAY IRRITATE SKIN AND EYES.

Avoid contact with skin, eyes, and clothing. In case of contact, flush with plenty of water; for eyes, get medical attention.

IMPORTANT—Injury to or loss of desirable trees or other plants may result from failure to observe the following: Do not apply, or drain or flush equipment on or near desirable trees or other plants, or in areas where their roots may extend, or in locations where the chemical may be washed or moved into contact with their roots. Do not use on lawns, walks, driveways, tennis courts or similar areas. Do not use area actually treated for crop production. Spray drift, and possibly vapors from treated areas, may injure susceptible crops such as beans of all types, tomatoes, peas, cotton, tobacco, various ornamental plants, orchard and vine crops. Do not apply to areas where nearby fields are to be used for growing susceptible crops during the same season. Do not contaminate domestic or irrigation waters. Keep from contact with fertilizers, insecticides, fungicides, and seeds. Thoroughly clean application equipment after use. Do not use equipment with which MOBLEY "TBA-5" LIQUID WEED KILLER has been applied for spraying insecticides, fungicides, selective herbicides, and fertilizers as plant injury may result.

GENERAL INFORMATION

MOBLEY "TBA-5" LIQUID WEED KILLER is a finished herbicide formulation for use as a spray for non-selective control of certain undesirable broadleaf weeds and certain species of wood plants. Both foliage and root absorption contribute to plant kill. MOBLEY "TBA-5" LIQUID WEED KILLER is intended for use on railroad rights of way and other industrial sites. Application as directed will result in loss of soil productivity for an extended period.

DIRECTIONS

MOBLEY "TBA-5" LIQUID WEED KILLER should be used only in accordance with recommendations on this label.

HOW TO APPLY

MOBLEY "TBA-5" LIQUID WEED KILLER should be applied as a course spray in ground equipment using low or moderate pressure. Spray volume should be sufficient to provide uniform and thorough coverage of foliage and soil.

WHEN TO APPLY

Best results are obtained if application is made after foliage has appeared in the spring, but before growth has progressed sufficiently to retain more than half of the spray. Earlier or later applications also are effective, but rates near the upper limit of the recommended dosage may be required. Applications should be made preferably during periods when moderate rainfall can be expected.

NOXIOUS PERENNIAL WEEDS

To control certain deep-rooted perennial weeds such as field bindweed, leafy spurge, Canada thistle, Russian knapweed, bur ragweed, blueweed, and climbing milkweed, apply 200 to 400 gals. MOBLEY "TBA-5" LIQUID WEED KILLER (10 to 20 lbs. acid equivalent) per acre.

MIXED BROADLEAF WEEDS

To control a wide range of perennial and annual broadleaf weeds for one year or longer, apply 400 to 600 gals. MOBLEY "TBA-5" LIQUID WEED KILLER (20 to 30 lbs. acid equivalent) per acre. Weeds controlled include the above noxious perennials and others such as dandelion, plantain, dock, dog fennel, ragweed, and wild lettuce.

WOODY VINES

To control certain woody vines such as trumpet vine, honeysuckle, kudzu, and smilax, apply 200 to 400 gals. MOBLEY "TBA-5" LIQUID WEED KILLER (10 to 20 lbs. acid equivalent) per acre.

NOTICE TO BUYER—Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label use directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller; buyer assumes all risk of any such use. Seller makes no other warranty, expressed or implied.
