

MOBLEY "BT" Liquid Weed Killer

ACTIVE INGREDIENTS:

Bromacil (5-bromo-3-sec-butyl-6-methyluracil)	.50%
Dimethylamine Salt of 2, 3, 6-trichlorobenzoic acid	.15%
Dimethylamine Salts of other chlorinated benzoic acids	.10%

INERT INGREDIENTS: 99.25%

E.P.A. Reg. No. 20001-5

KEEP OUT OF REACH OF CHILDREN

CAUTION: MAY IRRITATE THROAT AND NOSE. AVOID BREATHING SPRAY MIST. MAY IRRITATE SKIN AND EYES.

Avoid contact with skin, eyes, and clothing. In case of contact, flush with plenty of water; for eyes, get medical attention.

IMPORTANT—Injury to or loss of desirable trees or other plants may result from failure to observe the following: Do not apply, or drain or flush equipment on or near desirable trees or other plants, or in areas where their roots may extend, or in locations where the chemical may be washed or moved into contact with their roots. Do not use on lawns, walks, driveways, tennis courts or similar areas. Do not use area actually treated for crop production. Spray drift, and possibly vapors from treated areas, may injure susceptible crops such as beans of all types, tomatoes, peas, cotton, tobacco, various ornamental plants, orchard and vine crops. Do not apply to areas where nearby fields are to be used for growing susceptible crops during the same season. Do not contaminate domestic or irrigation waters. Keep from contact with fertilizers, insecticides, fungicides, and seeds. Thoroughly clean application equipment after use. Do not use equipment with which MOBLEY "BT" LIQUID WEED KILLER has been applied for spraying insecticides, fungicides, selective herbicides, and fertilizers as plant injury may result.

GENERAL INFORMATION

MOBLEY "BT" LIQUID WEED KILLER is a finished herbicide formulation which requires no further dilution for application as a coarse spray to non-cropland areas. It is an effective herbicide for control of many annual and perennial weeds and is particularly useful for control of perennial grasses and woody vines on railroad rights of way and other industrial sites.

DIRECTIONS

For best results apply in the spring after foliage has appeared but before growth has progressed sufficiently to retain more than half of the spray. Applications should be made preferably during periods when moderate rainfall can be expected.

WEED CONTROL

To control certain deep-rooted perennial weeds such as field bindweed, leafy spurge, Canada thistle, Russian knapweed, blueweed, and climbing milkweed, and certain woody vines such as trumpet vine, honeysuckle, kudzu, and smilax, apply 400 to 550 gallons MOBLEY "BT" LIQUID WEED KILLER per acre. To control annual weeds and grasses such as foxtail, ryegrass, wild oats, crabgrass, cheatgrass, brome grass, ragweed, lambsquarter, puncturevine, orchardgrass, and turkey mullein, apply 75 to 150 gallons MOBLEY "BT" LIQUID WEED KILLER per acre.

To control perennial weeds and grasses such as smooth brome, bahiagrass, bluegrass, redtop, purpletop, quackgrass, broomsedge, aster, dandelion, dog fennel, goldenrod, plantain, and wild carrot, apply 140 to 300 gallons MOBLEY "BT" LIQUID WEED KILLER per acre.

To control Johnsongrass and OTHER HARD-TO-KILL PERENNIAL WEEDS and GRASSES such as Bermudagrass, dallisgrass, nutsedge, Vaseygrass, saltgrass, bouncingbet, dogbane, bracken fern and horsetail, apply 300 to 550 gallons MOBLEY "BT" LIQUID WEED KILLER per acre. Where limited rainfall (usually less than 4 inches) occurs during the active growth period, such as some areas of the West, MOBLEY "BT" LIQUID WEED KILLER will not provide satisfactory control of hard-to-kill, deep-rooted perennial weeds such as Johnsongrass. Use the higher levels of the dosage ranges on adsorptive soils (usually those high in organic matter or carbon).

NOTICE TO BUYER—Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label use directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller; buyer assumes all risk of any such use. Seller makes no other warranty, expressed or implied.
