

clear. Non-corrosive to lining. Controls algae slime during off season shutdown. Helps reduce clean up time when pool is put in operation.

DANGER

Keep out of range of hidden. Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contact with mouth.

## FIRST AID

be submerged in a container of water for at least 10 minutes. The eyes will absorb the water and swell, which is the natural reaction before death.

If no solvent, drink promptly a large amount of water. If a solvent, dilute with water. If these are not available, take a large amount of water. Call a physician immediately.
