

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

DANGER: Corrosive, may cause severe skin irritation or chemical burns to broken skin. Cause eye irritation. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling this product. Wash after handling. Avoid breathing vapors. Vacate poorly ventilated areas as soon as possible. Do not return until odors have dissipated.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Keep out of lakes, streams or ponds. Treated effluent cannot be discharged into lakes, streams, ponds or public waters unless a discharge permit is obtained. For guidance, contact the regional office of the Environmental Protection Agency.

PHYSICAL AND CHEMICAL HAZARDS: STRONG OXIDIZING AGENT. Mix only with water according to label directions. Mixing this product with gross filth such as feces, urine, etc., or with ammonia, acids, detergents, or other chemicals will release hazardous gases irritating to eyes, lungs and mucous membranes.

**DIRECTIONS FOR USE
GENERAL CLASSIFICATION**

CLASSIFICATION OF PELICAN BEACH & POOL SUPPLIES INC. SODIUM HYPOCHLORITE SOLUTION

NOTE: This product degrades with age. Use a chlorine test kit and add more as necessary to obtain the required level of available chlorine.

COMMERCIAL LAUNDRY BLEACH

Mix 1 gallon SODIUM HYPOCHLORITE SOLUTION to 14 gallons of water. Add this solution into your normal laundry process.

START OF SEASON OR FOR NEWLY FILLED SWIMMING POOLS

Add 10 oz. (10,000 gallons of water) equivalent to 1.0 PPM available chlorine. Use a reliable chlorine test kit and continue adding smaller amounts (1 oz. 10,000 gal. equivalent to 0.1 available chlorine) if necessary until a residual of 0.5 ppm is established as determined by the test kit, and maintain at this level. Keep the pH 7.6 at all times as determined by an adequate pH test kit.

STORAGE AND DISPOSAL: Store in cool, dry area away from heat, sunlight, and sources of spill. Flood area with large quantities of water. Rinse empty container with water and either return to manufacturer or discard by placing in trash container or in an approved landfill. Product or residue that cannot be used should be mixed with water and disposed of in a sanitary sewer. Do not contaminate storage, disposal or cleaning of equipment.
