CAUTION

INSTRUCTIONS FOR REPACKAGING:

This pesticide may be used only for repackaging an insecticide. No change may be made in formulation either by dilution or addition of other active ingredients.

A DILUTE EMULSION - Agitate before using.

Each repackaged product must be registered with the Environmental Protection Agency. It is the responsibility of the repackager to obtain this registration. Zoecon Corporation has provided registered labeling and data references to support the registered uses for this product in the Technical Data Bulletin for this product. Additional data may be required to support registration of any repackaged products if the labeling, text, or graphics are altered from the examples given and hazards or efficacy are affected by such alterations.

PRECAUTIONARY STATEMENTS - ENVIRONMENTAL HAZARDS

Permits may be required for discharges containing this pesticide into lakes, ponds, streams, or public waters. For guidance, contact your Regional Office of the Environmental Protection Agency.

STORAGE AND DISPOSAL

Protect from freezing. Avoid extreme heat.
Recycle container and offer for recycling, or triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal in approved landfill; or bury in a safe place.
Consult Federal, State or Local Disposal Authorities for approved alternative procedures.
