

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL WARNINGS AND DIRECTIONS.

WHAT IT IS AND WHAT IT DOES

Fruit and Vegetable Insect Spray kills many insects which attack food crops. It contains Methoxychlor and Diazinon to provide positive control of many hard-to-kill insects.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

KEEP OUT OF REACH OF CHILDREN. May be fatal if swallowed. May be absorbed through the skin. Avoid contact with skin, eyes, and clothing. Do not breathe spray mist. Wash thoroughly after handling and before smoking or eating. Avoid storage near food or feed products. Do not use on household pets or humans. Do not permit children or pets to go onto sprayed grass until spray has completely dried. Do not use such as teaspoons or measuring cups. Do not be used for 24 hours after use.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED - Drink 1 to 2 glasses of water and induce vomiting by forcing back of throat with finger. Do not induce vomiting or give anything to eat to an unconscious person. Get medical attention.
IF INHALED - Remove victim to fresh air. Apply respiration if indicated.
IF ON SKIN - Wash contaminated area with soap and water.
IF IN EYES - Flush eyes with clean water for at least 15 minutes. Get medical attention immediately.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. This product is highly toxic to bees. Avoid direct treatment of flowers remaining on the treated area. Do not apply when bees are actively visiting the crop, cover crop or weeds blooming in the treatment area. Applications should be timed to provide maximum control between treatment and the next period of bee activity. Do not contaminate water by running the equipment or disposal of wastes. Apply this product only as specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

KEEP CONTAINER TIGHTLY SEALED DURING STORAGE. Do not reuse empty container. Wrap container and put in trash collection.

NOTICE: Seller warrants that this product consists of the ingredients specified and is reasonably fit for use as directed on the label. No one is authorized to make any other warranty, guarantee or direction concerning this product. Because the time, place, rate of application, and other conditions of use are beyond Seller's control, Seller's liability from the handling, storage, and use of this product is limited to replacement of product or a refund of purchase price.

ACCEPTED

MAR 10 1981

Under the Federal Insecticide, Fungicide, and Rodenticide Act registered under EPA Reg. No. 20954-02

Zoecon Corporation
 Palo Alto, California 94303

For tomato and vegetable pest control, use as directed in the application chart. Dilute at the rate of 4 tablespoons (2 fl. oz.) per 3 gallons of water. Spray for thorough coverage. Apply no closer than 7 to 10 day intervals. The numbers between parentheses indicate days between last application and harvest. May be applied with any type garden sprayer. Do not use on fern, pansy, hibiscus, papaya, pine gardenia and orchids since injury may occur.
