Earwig & Sowbug Bait EASY-TO-BROADCAST PELLETS

READ ENTIRE LABEL USE STRICTLY IN ACCORDANCE WITH
LABEL CAUTIONS AND DIRECTIONS

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. If poisoning occurs, get prompt medical aid.
TO PHYSICIAN: Atropine Sulfate is antidote.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label.

WHAT IT IS AND WHAT IT DOES

Earwig & Sowbug Bait is formulated to attract and kill Earwigs, Sowbugs, Pillbugs and Millipedes in ornamental plantings. This bait kills insects which feed on or come in contact with it.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

Earwig & Sowbug Bait may be used any time pests are active. Start baiting when insect activity is noticed. Best results are obtained by baiting at regular intervals. Apply only to non-bearing or non-flowering ornamental plants.

Earwig & Sowbug Bait is pelleted for easy application. Broadcast bait evenly over areas known to be infested. Apply after watering or sprinkle lightly after baiting to soften bait so insects can feed.

All of these pests are night feeders so apply in late afternoon or evening. This package will treat up to 1,250 sq. ft.

NOTE: Earwigs move around a great deal and may reinfest treated areas. When populations are heavy, frequent baitings may be necessary. Particular attention should be given to treating along fence lines to discourage reinfestation and reduce neighboring populations.

THIS PRODUCT IS SOLD BY WEIGHT, NOT BY VOLUME. SOME SETTLING OF CONTENTS MAY HAVE OCCURRED DURING SHIPPING AND HANDLING.
