

OUTDOORS: NOTE: This product is applied as is, no further dilution is necessary. To reduce annoyance from Mosquitoes, Gnats (Midges), House Flies, Biting Flies, and Flying Moths (Millers)

Spray areas where the above named insects may rest following all precautions given above. Apply spray 18 to 24 inches from shrubs, bushes and grassy areas. Spray these areas with a slow sweeping motion while moving away from the treated area. To reduce annoyance from these flying insects, treat open porches and patios in a similar manner. Spray only when the air is still. Allow spray to dissipate before occupying the treated area. Repeat as necessary.

OUTDOORS: To control ornamental plant pests. Spray 12 to 18 inches from the infested plants. Direct spray to all sides, covering foliage until slightly moist. Avoid heavy wetting. Repeat applications as necessary. (Use with caution on the tender foliage of flowering Quince, Juniper, Cypress, Mulberry, Ash, Cotoneaster, Rose, Camellia, Azalea, Pyracantha and Caenothus, as certain varieties have shown some leaf browning).

PLANTS

Smaller Evergreens, Rhododendrons, Podocarpus, Ageratums, Chrysanthemums, Snapdragons, Nasturtiums, Geraniums, Forsythia, Marigolds, Fatsia, Queen Sago, Broadleaf Acacia, Tree Mimosa, Daisy, Tobira, Boxwood, Lilac, Dogwood, Maples, Zinnias, Pines, Spruces, Hemlocks, Yews, Arborvitae, Junipers, Holly, Locusts, Althea, Palm Toyon, Oaks, Roses, Iris, Ivy, Daphne, Laurel, Spirea, Viburnum, Peonies

INSECTS CONTROLLED

Aphids, Thrips (exposed), Whiteflies, Leafhoppers, Plant Bugs, Spittlebugs, Japanese Beetles, Oakworm Larvae, Mimosa Webworm Larvae

OUTDOORS: To control nuisance pests on or entering buildings

Wasps: Applications should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places, contacting as many insects as possible. Repeat as necessary.

Ants: Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

Earwigs: Spray directly on earwigs in crevices and other hiding places on porches, patio floors and doorway entrances. Repeat applications as necessary.

NOTICE: Seller warrants that this product consists of the ingredients specified and is reasonably fit for use as directed on the label. No one is authorized to make any other warranty, guarantee, or direction concerning this product. Because the time, place, rate of application, and other conditions of use are beyond Seller's control, Seller's liability from the handling, storage, and use of this product is limited to replacement of product or refund of purchase price.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS AND DIRECTIONS.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid breathing of vapor or contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Do not smoke while spraying. Remove pets, birds and cover fish aquariums before spraying. For household use only. Do not remain in treated areas. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surfaces.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

KEEP CONTAINER TIGHTLY SEALED DURING STORAGE. Do not reuse empty container. Wrap container and put in trash collection.

SHAKE WELL BEFORE USING

Apply using a good space sprayer adjusted to deliver a fine mist.

INDOORS: Kills House Flies, Mosquitoes and Gnats

Close all doors and windows. Direct the spray mist to all parts of the room especially windows and other light sources which attract those insects. Fill the room with mist, then leave the treated area. Keep the room closed for at least 15 minutes. Ventilate the room when the treatment is completed.

INDOORS: Kills Cockroaches, Earwigs, Grain Mites, Sowbugs, Spiders, and Centipedes

Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards and storage areas. Spray directly on insects where possible. Repeat as necessary.

Ants: Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

INDOORS: For use on house plants

PLANTS

African Violets, Geraniums, Philodendrons,
Begonias, Coleus

Spray infested plants covering upper and lower areas. Repeat as necessary.
