ACCEPTED

MAR 05 1985

Under the Federal Insecticide, Fungicide, and Herbicide Act, as amended, for use on ornamental crops only, registered under EPA Reg. No. 20954-106

PENTAC[®]

MITICIDE

PENTAC® WP

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PENTAC® WP is a specific miticide that is very effective against phytophagous mites such as Two-Spotted, European Red, Tumid Spider and Broad mites. It is recommended for use on ornamental plants, such as those listed below, grown in greenhouses, shade-houses and certain outdoor situations. PENTAC® WP has a long residual activity.

Flowering Plants

Roses
Miniature Roses
Chrysanthemum
Carnation
Gardenia
Poinsettia
Snapdragon
Zinnia
Delphinium

Tropical Foliage Plants

Palms
Maranta
Zebra Plant
Schefflera
Dieffenbachia
Aphelandra

Other Commercial Ornamental Plants

Arborvitae
Hemlock
Spruce
Birch
Dogwood
Azalea
Taxus (Yew)
Succulents
Evergreen trees

For a more complete listing of mites controlled by PENTAC® WP and recommended ornamental plant uses, request PENTAC® Technical Data Sheet.

PENTAC® WP should be mixed at the rate of eight ounces (by weight) per 100 gallons of water. For smaller quantities, mix PENTAC® WP at the rate of one level teaspoon per gallon of water. Thoroughly apply spray to the point of runoff, making certain that all leaf surfaces have been covered. Check with your local State Agricultural Extension Service Agent for recommended frequency of application in your area.

PENTAC is a trademark of Sandoz, Ltd.
U.S. Patent 4,136,125

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or residue is a violation of Federal law. If these wastes cannot be disposed of by use according to the label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.

Container Disposal: Completely empty into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Precautionary Statements

Hazards to Humans Warning

- **MAY BE FATAL** if inhaled. Harmful if swallowed or absorbed through skin. Do not breathe vapors. Do not get in eyes, on skin, or on clothing. Wear a mask or pesticide respirator approved by MESA/NIOSH.
- **CAUSES moderate eye irritation.** AVOID contact with eyes.
- **WASH** thoroughly with soap and water after handling. **REMOVE** contaminated clothing and wash before reuse.
- **AVOID** contamination of foodstuffs.
- **AVOID** spraying ponds and aquaria containing fish.

First Aid Instructions

If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

If in eyes: Flush with plenty of water. Get medical attention if irritation persists.

If swallowed: Call a physician or Poison Control Center. There is no specific antidote; treat symptomatically. Induce vomiting if patient is alert; if not alert, empty stomach by lavage.

Warranty and Condition of Sale

Zoecon Corporation warrants that the chemical composition of this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Zoecon makes no other warranty, express or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given on the label.
