stop-bite

Stop-Bite Insect Repellent for dogs formulation—pre-moistened towelettes in individual foil packets.

Repels mosquitoes for hours. Also repels biting flies, gnats and fleas and ticks. For ticks make certain legs are treated thoroughly.

Soft fabric towelettes are pre-moistened with effective repellent formula for lasting protection. Greaseless and pleasantly scented.

No spray scare or missed areas of application. Just wipe over your pet.

Effective in repelling mosquitoes which are carriers of many diseases.

Directions: Open packet, unfold towelette and wipe over pet, avoiding eyes and mouth. Repeat when necessary, using a fresh towelette. One pad will cover average size dog.

CAUTION: Avoid contact with eyes and mouth.
