Rio Linda Chemical Company, Inc.
410 North 10th Street
Sacramento, CA 95814

JAN 30 1991

Attn: Eliot Harrison
Agent for Rio Linda Chemical Company, Inc.:

Subject: Akta Klor 80
EPA Registration No. 21164-5
Your Label Amendment of November 14, 1990

In response to the above mentioned submission involving a revised label for the subject manufacturing use product, please note the following.

The labeling referred to above, submitted in connection with Registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy is enclosed for your records.

1. On the product label, place the statement "For Manufacturing-Use Only" under the Directions For Use-heading.

2. In the Statement of Practical Treatment section of your label, change the "If Swallowed" statement to read: "If swallowed, promptly drink large quantities of water. Do not induce vomiting. Get medical attention."

Submit five (5) copies of the finished label which incorporates the changes outlined above.

If you should have any questions concerning this letter, you may call Robert Travaglini on (703) 557-6909.

Sincerely,

Walter C. Francis
Acting Product Manager (32)
Antimicrobial Program Branch
Registration Division (H7504C)

AKTA KLOR 80

CHLORINE DIOXIDE PRECURSOR FOR MICROBIAL CONTROL IN WATER AND WASTEWATER

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

SHIPPING AND HANDLING

DANGER: CORROSIVE, CAUSES EYE AND SKIN DAMAGE. Harmful if swallowed. Irritating to nose and throat. Avoid breathing vapor. Do not get in eyes, or skin, or on clothing. Wear goggles or face shield, rubber gloves and protective clothing when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Keep this product dry in a tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. In case of decomposition, isolate container (if possible) and flood area with large amounts of water to dissolve all materials before discarding this container. Do not reuse empty container but place in trash collection. Do not contaminate food or feed by storage or disposal, or cleaning of equipment.

DIRECTIONS

For MANUFACTURER

It is a violation of Federal law to use this product in a manner inconsistent with the label. For formulating use as a disinfectant, Formulators must register with the Environmental Protection Agency. Formulators should contact Rio Linda Chemical Co. for instructions regarding releasing products.

PHYSICAL OR CHEMICAL HAZARD: STRONG OXIDIZING AGENT. Do not mix with other chemicals except as directed. Other chemicals may cause a violent reaction. Store in a cool, dry place away from sunlight. Spill: Flush spilled material by flushing with water.

DANGER: KEEP OUT OF REACH OF CHILDREN. STATEMENT OF PRACTICE

- If in eyes: Flush with water for 15 minutes. Get medical attention.
- If on skin: Wash with water. Get medical attention.
- If swallowed: Drink plenty of water. Do not induce vomiting. If symptoms persist, get medical attention.

NOTE TO PHYSICIAN: Probable cause of symptoms is chlorine gas. Treatment: lavage.
