To treat horses, ponies, dogs, cats, birds, and other animals, use this fly spray on the head, neck, and body. Spray about 3 seconds on each side being careful to spray legs, belly, neck, back, and sides. Cover eyes while spraying face, or spray on sponge or cloth and apply to face as a wipe. Repeat treatment as necessary when flies are troublesome. Brushing animal after applying will bring out a bright sheen.

Ceiling, walls, and windows may also be sprayed to render them unattractive to flies.

Avoid contact with eyes. Avoid contact with food or feed stuffs. This concentrated spray is specially designed for use on animals. Do not use on human infants.

Keep out of reach of children. Do not use on humans. Do not use on children's faces. Do not use on children's faces. Do not use on children's faces. Do not use on children's faces.
