DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Hold container upright, nozzle away from you and press actuator button spraying as directed.

TO TREAT ANIMALS: To protect animals from attacks of stable flies, horse flies, deer flies, house flies, horn flies, mosquitoes and gnats, spray about 3 seconds on each side being careful to spray legs, belly, neck, back, and sides. Cover eyes while spraying face, or spray on sponge or cloth and apply to face as a wipe. Repeat treatment as necessary when flies are troublesome. Brushing animal after applying will bring out a bright sheen.

TO KILL AND REPEL FLYING INSECTS: Spray in areas where insects congregate. Direct spray to contact insects for rapid knockdown and kill. Spray around outside of door facings, screens to render area unattractive to insects. This helps to repel insects and prevent entrance into building.

TO CONTROL COCKROACHES AND ANTS: To control cockroaches and ants spray into cracks and crevices. Spray directly on cockroaches for fast kill. Apply behind refrigerator, stove and cabinets where insects tend to hide.

TO CONTROL TICKS, FLEAS, AND CHIGGERS: Spray on animal until fur is moistened lightly. To ensure thorough coverage part the fur by stroking against the lay of the hair while spraying. Ticks are tough, spray directly on them. Repeat every few days until animal is free of insects, nits, or eggs that hatch.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Storage: Do not store near heat or open flame.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label (DO NOT PUNCTURE!). If the recycling is not available, wrap the container in several layers of newspaper and discard in the trash.
