Subject: Amended Reregistration Label
Product Name: Pyranha Insecticide
EPA Registration Number: 21165-1
EPA Decision Numbers: 410359, 412187, 437102

Dear Ms. Johnston,

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Pyrethrins, Piperonyl Butoxide, and Butoxypolypropylene Glycol REDs, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated June 24, 2010

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Julie Chao at (703) 308-8735 or chao.julie@epa.gov.

Sincerely,

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions

- Except when applying directly to animals, do not allow people or pets to enter the treated area until sprays have dried or vapors, mists and aerosols have dispersed and the treated area has been thoroughly ventilated.
- Do not apply this product in a way that will contact any person or pet either directly or through drift. Keep people and pets out of the area during application.
- Do not remain in treated area. Exit area immediately and remain outside the treated are until aerosols, vapors and/or mists have dispersed.
- Remove pets or animals when spraying animal premises.
- Only spray in well ventilated area.
- Not for use on meat or dairy animals, poultry or horses or foals intended for slaughter.
- Not for use in farm structures or buildings housing food producing animals or poultry or in milk rooms.
- Do not allow product to contact animal's eyes, nose, mouth or sores during application.
- Do not use on foals, puppies or kittens under 12 weeks old.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment and food preparation surfaces or wash them before use.
- Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Remove pets, birds and cover fish aquarium before surface spraying.

Hold container upright with nozzle pointed away from you and press actuator button, spraying as directed.

TO TREAT HORSES: To protect horses from attacks of stable flies, horse flies, deer flies, house flies, horn flies, mosquitoes and gnats, spray about 3 seconds on each side being careful to spray legs, belly, neck, back and sides. Cover eyes while spraying face or spray on sponge or cloth and apply to face as a wipe. Brushing horse after applying will bring out a bright sheen.

TO KILL AND REPEL FLYING INSECTS IN ANIMAL QUARTERS: Spray in areas where insects congregate at a rate of 1 second per square foot. Direct spray to contact insects for rapid knockdown and kill. Spray around door facings and screens to render area unattractive to insects. This helps to repel insects and prevent entrance into building.

<p>STORAGE AND DISPOSAL</p> <p>Do not contaminate water, food or feed by storage or disposal.</p> <p>Storage: Do not store near heat or open flame.</p> <p>Disposal: Do Not Puncture or Incinerate!</p> <p>If empty: Place in trash or offer for recycling if available.</p> <p>If partly filled: Call your local solid waste agency for disposal instructions.</p>
