Dear Mr. Cunningham:

Subject: Amendment - Revised Label & Product Chemistry Data
Pyranha Dog and Cat Spray
EPA Registration Number 21165-36
Your Submission Dated March 15, 1990

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy of the labeling is enclosed for your records.

At the next label printing, revise the label so the statement "Use protective gloves (mitts) to prevent contact with hands." appears under the Directions for Use.

The flame extension and storage stability data submitted are acceptable and have been made a part of the record for this product. However, with respect to the storage stability data, please provide the temperature and type of container used in the study.

Sincerely,

George T. LaRocca
