NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 21165-37."

b. Under Storage statement add:

Do not contaminate water, food, or feed
by storage or disposal.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

c. Under Roaches and Crawling Insects and Flying Insects:

"and repel"

d. Under Caution revise the first sentence to read:

Do not use inside the home or as a space
spray in enclosed areas.

e. Revise, "For household use" to read, "For Outdoor residential
use."

f. Under Caution add the statement "Do not treat areas where food
crops are growing."

3. Submit five (5) copies of your final printed labeling before you
release the product for shipment. Refer to the A-79 enclosure for a further
description of final printed labeling.

If these conditions are not complied with, the registration will be
subject to cancellation in accordance with FIFRA section 6(e). Your release
for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

NET CONTENTS _____ FL. OUNCES

DIRECT

It is a violation of Federal law to use this product in a manner inconsistent with the label.

Shake well before use. Do not use on surfaces not affected by water.

This insecticide is a contact killer. It comes from the contact of the insect with either a power-operated or manual sprayer.

FLY

To kill and repel flies, apply as directed. Apply to coarse spray to wet surfaces and wash away from people. This insecticide stays on surfaces and repels insects up to 24 hours after deposit has dried.

ROACHES AND

To kill and repel roaches, fleas, and other insects, apply as directed. Apply to coarse spray of cracks, crevices, and surfaces such as window frames, for any other area where insects are present. For ants spray hills as necessary.

Do not use as a space spray inside the home. Use only as directed on label.
