**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(d)(1) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 21165-43."
  - b. To the storage and disposal section, add "Do not contaminate water, food, or feed by storage or disposal."

- c. Change "To Control Insects on Animals" to "Dogs."
- d. Delete the paragraph beginning "For temporary protection from mosquitos, flies, chiggers, etc." We are not aware of these insects being pests of dogs.
- e. Under the paragraph for control of insects on dogs, add the following precautions:

Do not use on nursing puppies or puppies under 3 months of age. Do not use on old, sick, or debilitated dogs. Do not spray in eyes, face, or genitalia.

- f. Under Roaches and Crawling Insects, the first sentence should read, "To kill roaches, ticks, . . . etc." Delete "and repel."
- g. Under Caution revise the first sentence to read:

Do not use inside the home or as a space spray in enclosed areas.

3. Please provide a storage stability study when the data become available. The formulated product must be analyzed for its active ingredient at time zero and during a year of storage. The storage should be in warehouse conditions of temperature and humidity and stored in similar containers you will be using in the trade.

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
