DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Not for use on horses intended for human consumption.

USE

FOR USE ON HORSES. USE FULL STRENGTH.
Wipe N' Spray Insecticide has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out. 1-2 ounces per head per day gives adequate protection. Apply by either soft cloth or fine mist spray.

ACTIVE INGREDIENTS:

Pyrethrins	0.1%
Piperonyl Butoxide, Technical	1.0%
Butoxypolypropylene Glycol	15.0%
Oil of Citronella	1.0%
Petroleum Distillate	80.4%
INERT INGREDIENTS	2.5%
	100.00%

*Equivalent to 0.8% (butylcarbityl (6-propylpiperonyl) ether and 0.2% related compounds.

DIRECTIONS FOR WIPE-ON USE:

First, brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where flies most often are seen. Only a light application is required. Avoid using an excessive amount on your horses. Do not wet the skin.

After application, brush out thoroughly to bring out bright sheen on the coat.
Repeat daily or as required.

DIRECTIONS FOR TRIGGER SPRAY USE:
Remove excess dirt and dust. Apply light spray mist to coat while brushing lightly against lay of the hair. Avoid spray in eyes and mucous membranes. Apply with sponge or soft cloth near those areas. Do not wet horse's skin or exceed two ounces per application.

TO KILL AND REPEL FLYING INSECTS IN ANIMAL QUARTERS: Spray in areas where insects congregate. Direct spray to contact insects for rapid knockdown and kill. Spray around outside of door facings, screens to render area unattractive to insects. This helps to repel insects and prevent entrance into building.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Statement of Practical Treatment

If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

If Swallowed: Call a physician or poison control center immediately. Do not induce vomiting, unless directed by physician. Petroleum Distillate may cause aspiration. Do not induce vomiting or give anything by mouth to an unconscious person.

If on Skin: Remove contaminated clothing and wash affected areas with soap and water.

If Inhaled: Remove victim to fresh air. Apply artificial respiration if indicated.
