

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

2 DEC 1992

Ms. L.C. Cunningham
Chem-I-Matic, Inc.
P.O. Box 920706
Houston, TX 77292

Dear Ms. Cunningham:

Subject: Revised Labeling
Pyranha Wipe N' Spray for Horses
EPA Reg. No. 21165-45
Submission dated November 10, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

The ingredient Citronella is registered and recognized as a pesticidal ingredient under the Federal Insecticide, Fungicide, and Rodenticide Act. Any effort to portray this ingredient on the label could be misconstrued as a pesticidal claim. Since citronella is no longer an active ingredient in your product, you must remove the statement "Citronella scented" from the label.

Sincerely,

Joseph M. Tavano
Acting Product Manager (10)
Insecticide-Rodenticide Branch
Registration Division (H7505C)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

WIPE N' SPRAY has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out. 1 to 2 ounces per head per day gives adequate protection. Apply by either soft cloth or fine spray mist.

USE TO WIPE ON:

First, brush animal to remove dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against hair growth. Give special attention to legs, shoulders, shanks, neck, and facial areas where flies are most often seen.

Only a light application is needed. Avoid using an excess amount. Do not wet skin.

After application, brush out thoroughly to bring out bright sheen on the coat.

Repeat daily or as needed.

USE AS A SPRAY:

WIPE N' SPRAY may be applied as a fine spray mist to stable area and over and around stabled horses for fast paralysis and kill of flies. Do not wet horse's skin or exceed two ounces per application.

KILLS AND REPELS

- * STABLE FLIES
- * HORSE FLIES
- * DEER FLIES
- * FACE FLIES
- * HOUSE FLIES
- * HORN FLIES
- * MOSQUITOES
- * GNATS
