SHARP CLEAN L74 is an industrial cleaner-disinfectant as it cleans. It is especially designed for schools, non-medical institutions and industry. A single application removes moderate amounts of dirt and grime, disinfects and is virucidal. When used as directed, the hard surface disinfecting action of **SHARP CLEAN L74** will reduce the hazard of cross-contamination.

SHARP CLEAN L74 is an extremely effective one-step sanitizer for non-food contact surfaces. It cleans and sanitizes in waters up to 550 ppm hardness. This hard water tolerance is in excess of most potable waters and will insure complete sanitizing action when used as directed.

When used as directed, **SHARP CLEAN L74** will deodorize surfaces in toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors. Prevents odors caused by mold and mildew.

Precautionary Statements

Hazards to Humans and domestic animals
