PRECAUTIONARY STATEMENT
Hazardous to humans and domestic animals.
CAUTION Avoid contact with skin and eyes. In case of contact, wash with soap and water. If irritation occurs, seek medical attention.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Open the green panel, fold it out, and place it upside down in the cut of space between the sides of the trap. If you are using Enzygnon in a trap with perforated test tubes, simply push the perforated test tubes into the slots and set the trap in the cup.
Remove the cap and pull it from the top of the trap and push the same end of the pull in firmly into the hole in the bottom of the trap.
If the trapped test tubes remain, the perforated green cap will be pulled out of the trap and the test tubes will fall out of the trap.

STORAGE AND DISPOSAL
STORAGE Store in a cool, dry place. Do not use after the expiration date.
DISPOSAL When the trap is empty, it can be disposed of with regular garbage. If it contains trapped test tubes, they should be disposed of as hazardous waste.
