

DIRECTIONS FOR USE

FOR USE IN: Restaurants, Stores, Kitchens, Bakeries, Cafeterias, Canneries, Locker Rooms, Utility Rooms, Food Markets, Food Processing Plants, Washrooms, Hospitals, Motels and Hotels, Bottling Plants.

Roaches, ants, waterbugs, silverfish, spiders, crickets: Spray heavily into all cracks, around baseboards and other places where these insects hide. Spray until wet surfaces behind and beneath cabinets, refrigerators, sinks, tables, etc. Spray other localized areas infested with these pests. Repeat treatment as required.

Carpet beetles: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks, joints and infested areas of site. Repeat as necessary.

Brown dog ticks: Treat only previously infested areas around sleeping quarters and door frames, wall cracks, sleeping quarters of children and pets and around areas of contact with animals. Application should be repeated as infestation warrants. Do not use on cats. Fresh bedding should be placed in sleeping quarters following treatment. Do not treat animals with this formulation.

Flies, mosquitoes, wasps and flying moths outdoors: For outdoor use only as an aid in exterminating and ridding from these insects. Spray outside areas of porches, door window frames or wherever these insects may enter the home. Also treat curtains and paint fixtures, especially in garages, and other places where these insects might be congregated.

Fleas, chiggers, ants and brown dog ticks outdoors: For treatment of localized infestations of these insects in outdoor areas, spray infested areas thoroughly. Include weed and brushy non chop areas around the home. For ants, thoroughly wet hills and run ways. Repeat applications as infestation warrants and as reinfestation appears.

SWAT

2-28-74

20002-13

CAUTION

Kills roaches, ants, waterbugs, silverfish, spiders, crickets, carpet beetles, brown dog ticks, fleas, chiggers, flies, mosquitoes, wasps and flying moths.

ACTIVE INGREDIENTS

Pyrethrins	0.500
Piperonyl butoxide, technical	0.62
0,0-diethyl 0-2-isopropoxy 0-methyl 1,1-dimethyl phosphorothioate**	500
Petroleum distillate	19.188
Total	100.000

* Equivalent to 210 parts per million of pyrethrin extract containing 15% related compounds.

** Designated U.S. Patent 2,754,243; Seagro Chemical Company

Contents harmful if swallowed. Avoid skin contact with contents. Wash hands with soap and water after use of this product. Avoid breathing spray mist. For spot treatment, allow contents to penetrate pores and do not move while spraying. Avoid contact of spray with food, clothing, children, and preparation of feeds, people and pets.

KEEP OUT OF REACH OF CHILDREN. THIS AREA IS UNDER PROHIBITION. DO NOT RE-ENTER UNTIL TOLD TO DO SO. OTHER LABELS HEREON CONTAIN IMPORTANT INFORMATION. READ CAREFULLY. THIS PRODUCT IS A PESTICIDE. ALWAYS USE AS DIRECTED.

**CAUTION:
KEEP OUT OF REACH OF CHILDREN**

See label for additional precautions

EPA Reg. No. 25022-13

WARNING: PESTICIDE. Contains chemicals which are extremely toxic to humans and animals. Do not breathe spray mist. Do not get on skin or clothing. Do not eat, drink, or smoke while using. Do not use in or near buildings. Do not use in or near food, feed, or animal quarters. Do not use in or near children's play areas. Do not use in or near swimming pools. Do not use in or near waterways. Do not use in or near crops. Do not use in or near lawns. Do not use in or near gardens. Do not use in or near ornamental plants. Do not use in or near trees. Do not use in or near shrubs. Do not use in or near flowers. Do not use in or near lawns. Do not use in or near gardens. Do not use in or near ornamental plants. Do not use in or near trees. Do not use in or near shrubs. Do not use in or near flowers.
