

## Eliminates Odors

Listerol eliminates household odors in the kitchen, bathrooms, nursery, attic, cellar and sick-rooms and retards their return. Listerol eliminates cooking, smoke, bathroom, pet and mold and mildew odors in seconds to leave your house smelling as fresh and clean as it really is.

## Prevents Mold and Mildew

### Directions for use:

TO DISINFECT hard inanimate surfaces: Hold can 6" to 8" from surface and spray until covered with a fine mist. Allow to dry. Rinse surface with water before allowing to come in contact with food.

TO ELIMINATE ODORS: Direct spray upward and spray for 2-3 seconds.

TO CONTROL MOLD & MILDEW on hard non-porous surface: Clean surface prior to application. Spray until moistened and allow to dry. Repeat every two weeks.

**ACTIVE INGREDIENTS:** Methyl-dodecylbenzyl trimethyl ammonium chloride 0.400%; 3, 4', 5-Tribromosalicylanilide 0.160%; Methyl-dodecylxylylene bis (Trimethyl ammonium chloride) 0.100%; 5, 4'-Dibromosalicylanilide 0.040%; Triisopropanolamine 2.750%; Essential oils 0.100%; Ethyl alcohol 55.530%.

**INERT INGREDIENTS:** 40.920% (contains sodium nitrite)

# Listerol™

## Household Disinfectant

Kills Household Germs

Eliminates Odors

Prevents Mold and Mildew

WARNING

## Kills Household Germs

Spray Listerol on inanimate hard non-porous surfaces to kill most:

- Staph and Strep Organisms
- Influenza A<sub>2</sub> Virus
- Tubercle Bacilli
- Athlete's Foot Fungi
- Odor Causing Germs

**Warning:** Flammable! Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

Spraying into eyes causes irritation. Avoid spraying into eyes. In case of contact, flush eyes thoroughly with water. If irritation persists, get medical attention. Avoid prolonged contact with skin, inhalation of spray mist, and contamination of food and food utensils.

Do not spray on polished wood, furniture, or rayon fabrics.
