

### WARRANTY STATEMENT

Environmental Insect Control Systems, Inc. warrants that this product is free from adulteration and contains the active ingredients as stated on the label. The product is warranted to be effective against the insects listed on the label when used in accordance with the directions. This warranty does not extend to insects not listed on the label or to insects which have become resistant to this product.

### PRECAUTIONARY STATEMENT HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed or absorbed through skin. Avoid contamination of feed and foodstuffs. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact immediately flush eyes or skin with water. Obtain medical attention if irritation persists. Do not apply directly to food. In commercial food handling facilities cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. After space spraying in meat packing plants, bakeries and other food processing plants, wash all equipment, benches, shelving, etc. where exposed food will be handled with potable water. In the home, all food processing surfaces and utensils should be covered during treatment. Thoroughly wash before use. Remove pets, birds and cover fish aquariums before spraying.

#### FIRST AID

If swallowed induce vomiting by sticking finger in back of throat or administration of syrup of ipecac. Get medical attention. If in eyes, flush with water for 15 minutes and see a physician. For skin, wash with plenty of soap and water. If irritation develops, get medical attention.

#### ENVIRONMENTAL HAZARDS

This product is toxic to fish. DO NOT APPLY DIRECTLY TO WATER. Do not contaminate water by cleaning of equipment or disposal of wastes when used in shellfish harvesting areas. Wash and flush freshly sprayed surfaces into adjacent waters. Apply this product only as directed on the label.

### DIRECTIONS FOR USE

Read and follow the Federal law label directions for use. For more information contact with the manufacturer.

### STORAGE AND DISPOSAL

Store in original container. Do not use if container is damaged or leaking. Dispose of contents and container as directed on the label.

# InsectAway Multi-Purpose Insecticide II

A CONCENTRATED EMULSION  
STABLE AND LEAVES NO OILY  
OR OBJECTIONABLE RESIDUE

#### Active Ingredients
