DIRECTIONS FOR 50,000 GALLON SWIMMING POOL

Clean pool of all debris, add two gallons of "Concentrated Pool Winterizer" to pool water at time of winter shut down. Run filter to circulate and cover pool.

Before summer opening, add one gallon of "Concentrated Pool Winterizer" and circulate throughout pool.

FIRST AID

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Call physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be needed.
