ACTIVE INGREDIENT

Poly[oxyethylene (dimethyliminio)ethylene
(dimethyliminio)ethylene dichloride]

10.0%

INERT INGREDIENT

90.0%

This product contains 0.85 lb. of active ingredient per gallon and weighs 8.49 lb. per gallon.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Keep out of lakes, streams, or ponds. Pesticides may be required for discharges containing this pesticide into lakes, streams, ponds, or public water. For guidance, contact the regional office of the Environmental Protection Agency.

DIRECTIONS FOR USE GENERAL CLASSIFICATION

Use only in accordance with the label. Use in a manner inconsistent with the label is prohibited. This product is a general purpose algicide for use in swimming pools. It is not intended for use in hot tubs, spas, or whirlpools. Use only in swimming pools containing heavy algae growth. Do not use in pools containing heavy algae growth unless using POOL PRIDE ALGICIDE 10.

For heavy algae growth: To control the growth of algae in swimming pools containing heavy algae growth, add initially 75 to 100 lb. of POOL PRIDE ALGICIDE 10 per 10,000 gallons of water. Repeat application by cleaning.

For light to moderate algae growth: In a newly installed pool, add initially 41 to 75 lb. of POOL PRIDE ALGICIDE 10 per 10,000 gallons of water.

For moderate to heavy algae growth: In existing pools, subsequent additions should be 27 to 41 lb. of POOL PRIDE ALGICIDE 10 per 10,000 gallons of water. Repeat application every 5 to 7 days after the initial treatment.

POOL PRIDE ALGICIDE 10 is compatible with those chemicals normally used in swimming pools and is effective at both acid and alkaline pH. POOL PRIDE ALGICIDE 10 can be used in pools treated with chlorine. Do not exceed the amount of those chemicals normally recommended. Do not mix POOL PRIDE ALGICIDE 10 with concentrated chlorine products.

STORAGE & DISPOSAL: Keep container closed when not in use. Do not use to treat water, food, or feed by storage, disposal, or cleaning of equipment. Do not reuse empty container. Triple rinse (to the extent feasible) and dispose of container in an incinerator or other approved landfill, or bury in a safe place. Rinse that cannot be used or reprocessed should be disposed of in a landfill approved for hazardous waste or buried in a safe place away from water. Do not use for any other purpose.
