**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if swallowed. Avoid contamination of food and feedstuffs. Keep out of reach of children. Do not use on meat or dairy animals or horses intended for human consumption.

**Physical and Chemical Hazards**

Do not use, spill or store near heat or open flame.

**Environmental Hazards**

This product is toxic to fish. Avoid contamination of lakes, streams or ponds.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Fly Repellent is ready to use formula designed to protect Horses and Ponies from horse flies, house flies, stable flies, deer flies, gnats and mosquitos.

Wipe-on: Use a soft towel or sponge to apply. Clean animal's coat of dust and debris before application. Moisten applicator and rub first against the hair and then with the hair, to smooth coat and give sheen. Be sure to treat animal thoroughly in order that maximum repellency is obtained. Good coverage is important. Repeat as needed.

Spray-on: Add Fly Repellent to suitable spray device or bottle. Apply a light mist on hair using 2 ounces per animal. Do not wet hair to skin. Apply carefully on legs and belly. Repeat as necessary.

**STORAGE AND DISPOSAL**

Store in cool, dry area away from heat or open flame. Do not contaminate water, food, or feed by storage or disposal.

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
