PRECAUTIONARY STATEMENTS
**HAZARDS TO HUMANS
AND DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed. Avoid breathing of spray mist. For use on horses only. Wash hands thoroughly after using and before eating or smoking.

CHEMICAL AND PHYSICAL HAZARDS

Do not use pour, spill or store near heat or open flame.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call Physician or Poison Control Center at once. Gastric lavage is indicated if material is taken internally. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing. Wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its label.

UNICORN Horse SPRAY-N-WIPE is ready-to-use either as a wipe-on or spray. Prior to use, brush away dirt and dust from the animal to be treated. WIPE-ON may be applied with a mitt or a soft cloth, first against the hair and then with the hair. Apply from 1-2 ounces of material per animal. As a SPRAY pour the material into a spray applicator and apply from 1-2 fl. ounces of solution as a fine mist to the areas of the horse's body needing protection.

FACE FLIES AND HOUSE FLIES: Apply as a wipe-on to the head area. Pay particular attention to area around the nose and eyes. Avoid direct contact with eyes.

STABLE FLIES: Apply as a wipe-on or spray to the legs and flanks. Frequent applications may be necessary if animal is exposed to high grass or water.

BITING GNATS: Apply as a wipe-on to the head, neck, belly and forelegs. Be sure to apply to the inside surfaces of the ears.

MOSQUITOS HORSE FLIES HOUSE FLIES DEER FLIES HORNFLIES: Apply as a wipe-on or spray to evenly cover the flanks, belly, and back of the animal being treated.

NOTE: It is not necessary to exceed 2 fl. ounces per mature horse; slightly less for younger animals and ponies. It may be desirable to repeat the application after the horse has been ridden hard or because of weather conditions. For insect protection around the horse's head, the WIPE-ON method is preferred.

STORAGE & DISPOSAL

STORAGE: Store in a cool dry place away from heat or open flame. Do not contaminate water, food or feedstuffs by storage or disposal.

DISPOSAL: Do not reuse container. Wrap container in newspaper and put into trash collection.

HORSE
SPRAY-N-WIPE**

**Ready to use. KILLS AND REPELS Face Flies,
House Flies, Stable Flies,
Mosquitos, Gnats, Deer Flies,
Horse Flies, and Horn Flies.**

ACTIVE INGREDIENTS:

2-chloro-1-(2,4,5-trichlorophenyl) vinyl dimethyl phosphate	1.00%
Pyrethrins	0.09%
Piperonyl butoxide, technical*	0.18%
N-octyl bicycloheptene dicarboximide	0.30%
Di-n-propyl isocinchomeronate	0.50%
2,3,4,5-bis (2-butylene) tetrahydro-2-furaldehyde	0.50%
Citronella Oil	0.10%
Petroleum distillates	96.27%

INERT INGREDIENTS: 1.06%

*Consists of 0.14% (butylcarbitolyl) (6-propylpiperonyl) ether and 0.04% related compounds

KEEP OUT OF REACH OF CHILDREN

CAUTION

See back panel for additional precautions.

Net Contents: 1 quart
