PRECAUTIONARY

Hazard. to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid breathing of spray mist. For use on horses only. Wash hands thoroughly after using and before eating or smoking. Wear long-sleeved shirt and pants; chemical resistant gloves; shoes and socks.

Chemical and Physical Hazards

Do not use, pour, spill or store near heat or open flame.

Statement of Practical Treatment

IF SWALLOWED: Call physician or Poison Control Center at once. Gastric lavage is indicated if material is taken internally. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing, wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

NOTE TO PHYSICIAN: Solvent presents aspiration hazard. Gastric lavage is indicated if material was taken internally. If symptoms of cholinesterase inhibition are present, atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.

Environmental Hazards

This pesticide is toxic to fish. Do not contaminate water by cleaning of equipment or disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its label.

Unicorn Horse Spray-N-Wipe is ready-to-use either as a wipe-on or spray. Prior to use, brush away dirt and dust from the animal to be treated. Wipe-On may be applied with a mitt or a soft cloth; first against the hair and then with the hair. Apply from 1-2 ounces of material per animal. As a spray pour the material into a spray applicator and apply from 1-2 fluid ounces of solution as a fine mist to the areas of the horse's body needing protection.

3

Face Flies and House Flies: Apply as a wipe-on to the head area. Pay particular attention to area around the nose and eyes. Avoid direct contact with eyes.

Stable Flies: Apply as a wipe-on or spray to the legs and flanks. Frequent applications may be necessary if animal is exposed to high grass or water.

Biting Gnats: Apply as a wipe-on to the head, neck, belly and forelegs. Be sure to apply to the inside surfaces of the ears.

Mosquitos, Horse Flies, House Flies, Deer Flies, Horn Flies: Apply as a wipe-on or spray to evenly cover the flanks, belly, and back of the animal being treated.

NOTE: It is not necessary to exceed 2 fluid ounces per mature horse, slightly less for younger animals and ponies. It may be desirable to repeat the application after the horse has been ridden hard or because of weather conditions. For insect protection around the horse's head, the wipe-on method is preferred.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place away from heat or open flame. Do not contaminate water, food or feedstuffs by storage or disposal.

PESTICIDE Wastes resulting from the use of this product may be
DISPOSAL: disposed of on site or at an approved waste disposal facility.

CONTAINER Do not reuse container. Wrap container in newspaper and
DISPOSAL: put into trash collection.

Container Size 1 Gallon and Up

Triple rinse (or equivalent), then offer for recycle or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
