Unicorn Propoxur Flea and Tick  
Spray

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Unicorn Laboratories  
P.O. Box 90014  
Houston, TX 77090

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec.

3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 28293-31."
  - b. Correct the spelling of *o*-isopropoxyphenyl in the ingredient statement.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

### Hazards to Humans and Domestic Animals

**CAUTION** Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of treatment area. Contact with skin, eyes, clothing should be avoided. Wash thoroughly with soap and water after handling. Avoid contamination of food and foodstuffs.

**PHYSICIAN NOTICE** Propoxur is a cholinesterase inhibitor. Atropine Sulfate is antidotal.

### Statement of Practical Treatment

- IF INHALED** - Remove victim to fresh air. Apply artificial respiration if indicated.
- IF ON SKIN** - Remove contaminated clothing, wash affected areas with soap and water.
- IF IN EYES** - Flush eyes with plenty of water. Get medical aid if irritation persists.

### Physical or Chemical Hazards

Flammable! Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate. Exposure to temperatures above 130°F may cause bursting.

### Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Propoxur Flea & Tick provides rapid kill of fleas and ticks. Hold container 6 to 10 inches from the animal and spray lightly over the entire body. Do not spray in eyes or scrotum. For best application, spray against the natural lay of the hair working from the tail to the head. Treat a 5-pound cat for 3-5 seconds or a 10 pound cat 3-10 seconds. Apply spray to dampen hair and skin, keeping cat in motion while spraying. Wet ticks thoroughly. Treat a 15 pound dog for 10-20 seconds or a 25 pound dog 20-30 seconds. The spray will control ticks for up to one week, fleas for up to 4 weeks.

Repeat as necessary but not more often than once weekly. For best insect control, the animals should also be treated to help re-infestation.

### Disposal

Do not reuse container. Wrap container and put in trash collection.
